### Additional Minibar Items

It is a suggestion to introduce the bedside shopping brochure whereby the hotel can ensure a wider variety of saleable items with a more rational distribution and eliminating the need for over stocking.

Consider a catalogue with the following:

- A. Ladies goods: foulard, scarves, handbag, trainer etc.
- B. Men's goods: belt, tie, wallet, sportswear
- C. Children's clothes: T-shirts, sun hats
- D. Cosmetics: Brand name cosmetics and perfumes, sunscreen
- E. Toys: small cars, stuffed animals
- F. Games: cards, chess, Othello etc. in travel size
- G. Souvenir Food: chocolates, cookies, ice cream, local specialties
- H. Miscellaneous: pens, lighters, openers, diary

To cover the cost of printing of the catalogue and inventory, a contract could be made with a major department store and share in the profit without having any costs.

The actual ideas from a meeting were:
