Standard:

All kitchen mats must be cleaned thoroughly every day in night shift.

标准:

厨房里的地垫要在夜班每天彻底清洗。

Procedures:

1. Collect and roll all floor mats at the end of the day and transport them on a large trolley to the loading bay.
2. Lay each mat out separately on the parking area of the loading bay.
3. Using the pressure cleaner with a cleaning chemical, clean each mat separately.
4. Drape clean mats over the rails, allowing them to dry.
5. Roll dry mats up and return them to the appropriate area.
