***DEFENDER OR CHALLENGER?
ON FRIDAY DECEMBER THE 4TH 1998, AT 17H30,
THE PRESS CLUB CENTER INVITES YOU TO***

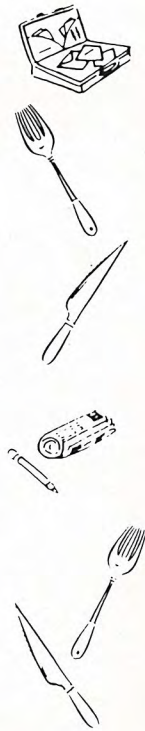

THE SAGA OF THE AMERICA'S CUP

For 147 years, men have fought passionately to attain the most prestigious trophy worldwide. As a matter of national pride and technological domination, its conquest implies massive investments, pushing sailors to the extremes and beyond and forcing the admiration of crowds...

On Friday, December 4th 1998, from 5.30 PM at the Press Club Center, the wind of the America's Cup will blow for one evening only. So catch the wave and come to admire the reproductions of all the challengers and defenders that have been made in precious woods from authentic designs.
