The holiday of Valentine's Day probably derives its origins from the ancient Roman feast of Lupercalia.

One of the customs of the young people was name-drawing. On the eve of the festival of Lupercalia, the names of Roman girls were written on slips of paper and placed into jars. Each young man drew a slip. The girl, whose name was chosen, was to be his sweetheart for the year.

Legend has it, that this holiday is named after a priest called Valentine. During Valentine's live, Christianity was a new religion in Rome. Claudius II, the Emperor at that time, ordered the Roman soldiers NOT to marry or become engaged. Claudius believed that as married men, his soldiers would want to stay home with their families rather than fight his wars. Valentine ignored the Emperor's decree and secretly married the young couples. He was eventually arrested, imprisoned and put to death.

Valentine was beheaded on February 14th, the eve of the Roman holiday Lupercalia. After his death, Valentine was named a Saint. As Christianity spread in Rome, the priests moved the spring holiday from the 15th of February to the 14th – Valentine's Day. Now the holiday is honoring Saint Valentine instead of Lupercus.

The first 5 couples, booking this package, will receive a free upgrade to one of our suites!
